Dear MCC/WVBA Member,

Spring is here! It's been a long, cold, hard winter but we all survived. The MCC started 2015 on a positive note—many Scout troops are meeting at the building and our rentals are covering our costs. We have many activities planned for this year and continue to offer exercise classes. Check out the calendar to see what's going on (<http://www.martinsvillecommunitycenter.org/calendar-of-events/>).

Do you like the new look and feel of the website? Many thanks to Christine Schueler of Top Notch Technology for donating her time and expertise to create the new website. We will continue to add pictures and other information to our website.

Mark your calendar for the following dates:
